

# i-consent.

Improving the guidelines for Informed Consent, including vulnerable populations, under a gender perspective

[i-consentproject.eu](http://i-consentproject.eu)

## A NEW PERSPECTIVE FOR INFORMED CONSENT

- ✓ Gender
- ✓ Cultural diversity
- ✓ Age
- ✓ ICT

### INFORMED CONSENT AS A PROCESS

It is a bidirectional communication process that begins with the first contact with the potential participant and continues throughout the entire study until its end.
